Education

2024 **Certificate in Artificial Intelligent** , Senegal

By Force-N senegal, and Master Card Foundation

Master's In Machine learning **Scholarship, AIMS, Africa Master's in Machine Intelligence, AMMI**

Certificate in Applied Data Science Lab, from WorldQuant University!

2022-2023 **Statistics and Data Science, MITx, USA, Micromaster**

MITx 6.431x Probability - The Science of Uncertainty and Data

MITx: 18.6501x Fundamentals of Statistics

MITx 6.86x Machine Learning with Python - From Linear Models to Deep Learning, Data Analysis

MITx 6.419x Statistical Modeling and Computation in Applications

Capstone Exam in Statistics and Data Science, <https://bit.ly/4ieSgWk>

2015 - 2019 **Bachelor's Degree in Mathematics (LMD System), Faculty of Sciences, University of Lomé**

2014 **High School Diploma (Series C, Mathematics and Physical Sciences), Lomé Port High School**

Professional Experience

2025 **Data Scientist at Data Lab in Togo Ministry of numerical economy and digital transformation, <https://numerique.gouv.tg/>**

2024 **Computer vision, Tranformers for NLP Vision transformers**

with Laurens Van Der Maaten and Natalia Neverova of Facebook-Meta

Top 10 Zindi competition place, Rank 7/93, Togo Fiber Optics Uptake Prediction Challenge: Can you predict which households and businesses will have fiber optics access?

2023 **Project Omdena-Chapter - Lome - WeatherAI , Omdena, Lome**

Extreme Weather Forecasting and Its Impacts in Togo Using Machine Learning: WeatherAI

Volunteer of math camp, *Allotey math camp sponsored by AIMS Ghana* , Accra
I lead the activities like important of Fibonacci sequences , Monty hall problem

2022 **Tutor online** , *Gostudent*, France
Python programming, and mathematics

2017-2023 **Mathematics Teacher**, *CS "LE BON MEDiateur"*, *CS "LA REUSSITE ASSUREE"*,
ITEM Adakpame, Togo, Lycee public Tokion Solidarity

Continual Training in Teaching Methodology (APC)

2016 **Contributor to the creation of mathematics annals: BAC EN 1 (Terminal C, D, E)**

2015 **Co-founder (and member) of the Club of Young Students for Potential Development (CJEDP)**, www.cjedp.mobile.in

2015 **Co-founder (and member) of the Club of Young Students for Potential Development (CJEDP)**, www.cjedp.mobile.in

Computer Skills and Languages

Computer Skills

Programming Python, SQL

Data Analysis Tools
Pandas, NumPy, Scikit-Learn, Excel

Visualization Tools
Matplotlib, Seaborn

Machine Learning
Supervised and unsupervised learning, Regression, Classification, Clustering, Reinforcement Learning

AI Systems and GenAI
Transformer based models(LLMs),RAG systems,Model Fine tuning,Ollama, vllm

Software
Git, GitHub, LaTeX

Operating Systems
Windows, Linux,MacOS

Languages

English Good

French Excellent
